Your file should reflect that the EPA sent an auditor to Southern California who met with me and Mr. Waymire, several years ago, in connection with our claim of inability to pay. We believe the auditor was satisfied that there is no ability to pay. This corporation has been out of business for over 12 years. It has no assets. It is no longer qualified in the State of California and its charter has been suspended. Perhaps you can locate that auditor's report.

Yours truly,

NORMAN RASMUSSEN
